RESPONSE TO NOTICE TO FILE MISSING PARTS

Dear Sir:

This paper is in response to the Notice to File Missing Parts of a Non-provisional Application that was mailed on October 15, 2004. In the Notice to File Missing Parts, the Patent and Trademark Office (PTO) indicated that Applicants have failed to provide a properly executed Declaration in regard to the above-referenced patent application. Specifically, it appears that the PTO is asserting that the oath or declaration is missing. Furthermore, the PTO requested that Applicants provide a properly executed Declaration and pay a late-filing fee in order to avoid abandonment of the above-referenced application and to facilitate entry of the newly provided Declaration. Applicants, however, respectfully assert that a properly executed Declaration was filed with the PTO on September 15, 2003. Accordingly, Applicants respectfully assert that the above-referenced application was complete when filed and, as such, the Notice to File Missing Parts was sent in error.

On September 9, 2003, David D. Brandt and Wayne H. Wielebski, the inventors of the above-referenced patent application, executed a Declaration in regard to the present application. A true and correct copy of this executed Declaration is provided herewith as Exhibit "A." Applicants submitted this Declaration to the Patent and Trademark Office (PTO) on September 15, 2003, as evidenced by the Utility Patent Transmittal, a copy of which is attached hereto as Exhibit "B." Furthermore, receipt of this Declaration by the PTO is evidenced by the Return Receipt Postcard, a copy of which is attached hereto as Exhibit "C." In accordance with M.P.E.P. § 503, "[a] postcard receipt which itemizes and properly identifies the items which are being filed serves as *prima facie* evidence of receipt in the USPTO of all the items listed thereon on the date stamped thereon by the USPTO." With regard to the present application, the Return Receipt Postcard, a copy of which is attached hereto as Exhibit "C," indicates that a combined Declaration and Power of Attorney was filed with the PTO on September 15, 2003. Furthermore, the date stamped on the back of the postcard establishes a *prima facie* case that the Declaration was filed with the PTO on September 15, 2003.

Furthermore, Applicants address the PTO's assertion that the respective residences of the named inventors were not provided. Specifically, in the Filing Receipt the PTO noted that a residence for David D. Brandt and Wayne H. Wielebski were not provided. However, Applicants note that the originally filed Declaration (Exhibit "B") lists the residence address of both David D. Brandt and Wayne H. Wielebski. Accordingly, Applicants respectfully assert that residence addresses for the inventors of the present application were properly provided.

Thus, as evidenced by the forgoing Exhibits, a properly executed Declaration was filed with the PTO on September 15, 2003. Based on the foregoing, Applicants respectfully assert that the Notice to File Missing Parts was transmitted in error. Accordingly, Applicants respectfully request that the PTO withdraw the Notice to File missing Parts. Furthermore, Applicants provide herewith a clean copy of the previously submitted Declaration. Accordingly, if the PTO is unable to find the previously filed Declaration Applicants respect entry of this Declaration into the file without the late-filing surcharge as set forth in 37 C.F.R. § 1.16 (e).

GENERAL AUTHORIZATION OF FEES

Accordingly, based on the forgoing, Applicants respectfully assert that an extension of time for responding to the Notice of Missing Parts is not due, because the Notice was sent in error.

Although Applicants do not believe that any fees are due at this time, Applicants, nonetheless, authorize the Commissioner to charge Deposit Account No. 01-0857; Order No. 04RE040/YOD/VYA (ALBR:0136) any and all fees deemed necessary for the prosecution for the present patent application.

CONCLUSION

If the initial Examiner believes that a telephonic interview will expedite the present application, the initial Examiner is sincerely invited to contact Applicants' representative at the number listed below.

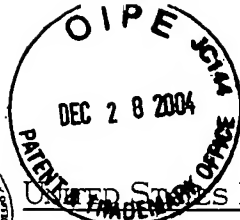

Respectfully submitted,
